THE CHINA REVIEW.

PUBLISHED BI-MONTHLY,
TENTH YEAR.

THIS Review, which was intended to meet the wants of many students of Chinese caused by the discontinuance of "Notes and Queries on China and Japan," has reached its Fourteenth Volume. The Review discusses those topics which are uppermost in the minds of students of the "Far East" and about which every intelligent person connected with China or Japan is desirous of acquiring trustworthy information. It includes many interesting Notes and original Papers on the Arts, Sciences, Ethnology, Folklore, Geography, History, Literature, Mythology, Natural History, Antiquities, and Social Manners and Customs, etc., etc., of China, Japan, Mongolia, Tibet, and the Far East generally. Recently a new departure has been taken, and the Review now gives papers on Trade, Commerce, and Descriptive Notes of Travel by well-known writers. It was thought that by extending the scope of the Review in this direction, the Magazine would be made more generally useful.

The Review department receives special attention, and endeavours are made to present a careful and concise record of

Literature of China, etc., and to give critical reviews on such topics. Authors and Publishers are requested to forward works to "Editor, China Review," care of China Mail Office.

It was thought that by extending the scope of the Review in this direction, the Magazine would be made more generally useful.
